His little brother, Hinata, turns out to be Shouei's brother, and he starts to live with the Jinnai family again. During that time, Shouei proposes, "Be my wife." Yet, Hinata also says, "I want Ma!"

♥Last year (Hiroki 17th), I had tomatoes, chili peppers, shiso herbs, etc. in my backyard. But this year, I decided to put all my effort and focus on potatoes alone. Well, just those types of potatoes. They are the type called Kousai, which my friend gave to me. They are yellow, warm, and soft. So far it's been going well and I can't wait to harvest them. If you have anything in the backyard, then there's nothing better than having something you can eat "amateur" says Ukyou Ayane sensei.

REGIME CILAVANT

Ukyou Ayane

Second-year high school student Otono who lived with her lonely mother and her little brother Hinata (who had a mother complex).

To support her poor family, Mio started working for the richest family in the neighborhood, the Ikenas. The only son of that family, Shoun, is the same grade as Mio, is an outstanding student at school, cardinal and popular, and the students nickname him "Prince". But in front of Mio, he transforms into a handsome beast!

As Mio gets caught up in the Prince's past, she also becomes attracted to him. But a shocking fact was revealed. Mio is a child of the Ikenas family, which makes them siblings. ♪ Although it's a false relationship, unable to ignore their feelings, they cross the line.

Afterwards, Mio disappears from the Prince's side and goes to see her biological mother with Hinata. However, it turns out that the woman child is actually Shoun. ♪

A black and white manga-style illustration of two young women. The woman on the left has long, light-colored hair and is wearing a dark, patterned dress. She is being embraced from behind by another woman with long, light-colored hair, who is wearing a dark, sleeveless top. They are both looking down with sad expressions.

## Greetings.

Follow: This is Volume 7 of *Shugo Chara*. Thank you for reading.

Well, Volume 8

On the cover of this volume, finally we have Mio after her long absence since volume 1, though she is the male character. We'll, per-  
sonally, wouldn't had Muga dressed as the male, but I figured the editor and the world would like me.

The orange she is holding in her hand is a picture I took with my digital camera. And actually, so is the design on the cover of volume 4. I tried to arrange the pictures to be less visible, but even though the developer was easy to do, it was difficult for the orange. It's hard to make it look hand-drawn.

Also, I had her hold the orange because I got the male editor to be orange.

I'm very straightforward.

Enjoy volume 8 with the very straightforward cover until the next pleasure.

## My obsessions -

### Agnes

I have a feeling that every time I write on this column (part 1 of 10) I'm going to be writing about some new hobby I've picked up. If no reason until now I've poured my time into writing, gardening, fishing, hiking and collecting comic cars. And on top of all that I'm starting up my most important one yet!

### My first garden

When I looked at the CWD I bought (The third season - Claire Under Attack) and in the condition I had bought it in I thought, I can't believe that could I've properly seen the comic as I was literally throwing it on Youtube, online.

And gradually I realized how it happened, as I thought the 3 condition that was not and I was told buying the *Deviant Garden* plants (specifically). All the books for the plants were also available which was nice, but I can release some more books to work on the website... I've my design book and my book.

But to conclude, there are books garden website they can spend to no end. There is currently no end to it that they take over your place! The other thing there is to try it online one day. I don't have that much time to write on it but I'll try hard to describe my new home.

BECAUSE I RAN AWAY.

## About my house

It's built. From the plot of land I bought. I started building a house from zero.

The region I live in has many "Urban regulations", meaning some under reserve that make it really difficult to buy land for the sake of building a house. The other have to have land there since Shown 40 or have quite talent a business on land in the area to satisfy the conditions.

But I wasn't sure how get in Shown 40 and they don't care whether they have a mortgage or not... so I didn't satisfy the conditions. But I was able to find a loophole somehow I got it! And I got a loan too!

Next I'll tell you about the actual house. To show the house maker when I went to a landlady's estate, I made the most of it and later there was an auction and I chose from 4 companies. I had kept my eye on one maker and their company and their newspaper took an interest in my concept. Since it was a completely custom built house that old one.

Outside...

By

Yes,

Oh,  
that's

Is Nio

That will not be possible...

Do you want to do it outside?

Eh?!

I'm joking, idiot.

Do you want me to be clear?

Well, I think every place will be like this today

What I wanted to say was...

Eh?

I just wanted to eat dinner.

I didn't come looking for a make love.

It's true!

cute.

Hey,  
Prince. Have  
you ever  
been to the  
supermarket?

No.

Super-  
market?

Wow! The  
duck eggs  
are so  
cheap!

Come on,  
let's go!

If you  
want to  
eat dinner,  
I can cook  
dinner at  
home.

We'll stop  
by the  
supermarket  
before going  
home!

Is a small  
bottle of  
soy sauce  
enough?  
The bigger  
bottles are  
a better  
deal.

Prince,  
do you  
drink milk  
coffee?

Let's buy  
some  
more milk!

No, let  
me carry  
that.

What's  
wrong?

Even though  
it's summer,  
we could  
have hot  
pot as  
well.

You...

The sound  
proofing of  
the walls  
should be  
done by  
now.

Then it's  
decided.  
Let's hurry  
back home.

I want  
to eat  
you.

What  
an odd  
guy.

Sometimes  
he's cute,  
and has lots  
of things that  
he doesn't  
know.

Other  
times  
he is so  
straight  
forward  
that  
it's  
scary.

he has  
completely  
taken over  
my feelings.  
Prince.

With me  
two of us  
living  
together...

Who knows  
what will  
happen.

What's  
wrong?  
This is...

A  
second  
floor was  
added  
to the  
house  
next  
door!

I'm looking  
forward  
to it...

I'm so  
happy  
right now...

they can still bear the noise

That's true...

Should we get out of here now?

Well, that's not what I meant!

If you had that much money, we could have just moved.

And is this connected to the second floor..

hey, wasn't that a quick remodeling job? isn't this place rented?

This is the room.

You guys are back!

It's already so late, where did you guys go?

Reopened the  
circuit breaker  
for entire fleet  
has it fixed

FLP

I can't understand what you were thinking.

# title

This is  
all Mio's  
fault!

You didn't  
even say a  
word to me  
and snuck out  
here to this  
kind of  
place.

What in the  
world were  
you thinking!  
To do this.

You just  
have to do  
some slight  
investigating  
to figure it out.

So  
I'm the  
landlord  
now!

Since I was  
mad, I purchased  
the entire block.

This is  
idiotic,  
let's move.

Even if  
it's a  
hotel.

At this  
hour? You  
want to  
find a  
house?

Prince?

Ma.

There  
is not a  
single  
person who  
will take  
you in  
right?

Are  
you  
running  
away?

Come  
here.

Look,  
isn't this  
situation  
familiar?

It's  
useless.

With no  
escape  
in sight?

Isn't it the  
same as when you  
blocked Mio and I  
from finding an  
apartment?

This is  
not the  
end...

It's so dark...

and not just  
because there  
is no light...

the darkness  
is approaching...

I will make  
you suffer  
as a penniless  
poor person  
and know  
despair.
